

TRUSTIA AI — MALTA ENTERPRISE START-UP FINANCE & MSRP RESIDENCE APPLICATION DOSSIER (2026)

Document Type:	Official Government Application Dossier & EU Headquarters Strategy
Target Program:	Malta Enterprise — Start-up Finance Scheme (2026 Guidelines)
Immigration Programme:	Malta Startup Residence Programme (MSRP — 3+5 Year EU Schengen Residence)
Applicant Entity:	Trustia AI Technologies (Trustia Teknoloji A.Ş.)
EU Participant Identification Code (PIC):	`861711529` (European Commission)
EIT Urban Mobility Partner ID:	`CUS15554`
Target Grant / Funding:	**€1,500,000 (Repayable Advance / Innovation Tech Support)**
Application Deadline:	30 October 2026
Corporate Headquarters:	İTO BTM Fulya Deep-Tech Campus, Şişli / Istanbul, TR
Planned EU Operations Base:	Historic Character Palazzo HQ, Naxxar / Lija, Malta
Founding Executive Board:	
* **Murat Furkan Bayram:**	Founder & CEO / Lead Systems Architect (80% Equity)
* **Doğukan Bayram:**	Co-Founder & Chief Operating Officer (20% Equity, Legal Representative)

1. EXECUTIVE SUMMARY & STRATEGIC INTENT

Trustia AI is a deep-tech autonomous systems software developer engineering a zero-external-dependency, deterministic Level-4 operating stack for commercial electric vehicles (Hyundai Ioniq 5 platform) and tactical defense systems.

Strategic Objective for Malta:

To establish **Trustia AI European Headquarters & Mediterranean Autonomous Mobility R&D Hub** in Malta, leveraging:

- Malta Enterprise Start-up Finance Scheme:** Securing **€1,500,000** in co-funding for advanced robotics and software engineering.
- Malta Startup Residence Programme (MSRP):** Securing 3-year initial (extendable to +5 years) European Schengen residency for founder Murat Furkan Bayram, co-founder Doğukan Bayram, and key engineering staff.
- 5% Effective Corporate Tax Rate:** Utilizing Malta’s full imputation corporate tax architecture for global technology IP licensing.

4. **Historic Character Headquarters (Palazzo HQ):** Establishing our flagship European operational and executive center within a restored historic limestone Palazzo in the prestigious Naxxar/Lija innovation corridor, benefiting from Malta’s Urban Conservation Area (UCA) property incentives.

2. ELIGIBILITY & INNOVATION BENCHMARKS (MALTA ENTERPRISE COMPLIANCE)

Malta Enterprise Requirement	Trustia AI Verified Parameter	Proof / Audit Status
Eligible Sector	Software Development, Autonomous Systems, High-Tech Mobility	100% Eligible under Section 4.1(b) of 2026 Guidelines
Technological Novelty	Proprietary 3D LiDAR NDT SLAM & Kinematic Hybrid A* with GNSS-denied capability	16,000+ lines custom deterministic C++/Python
Verification & Maturity	Automated Deterministic Safety Verification	1,301 / 1,301 Automated Unit & Integration Tests Passing (100%)
EU State Recognition	European Commission Participant ID	PIC: 861711529 (ec.europa.eu registered)
EU Innovation Partner	EIT Urban Mobility (EIT UM)	Partner ID: CUS15554 (Grant Call: 3.1.02-1206-3732.3)
Defense Supplier Record	ASELSAN Approved Supplier Pipeline	Pre-Assessment Positive (0050569CCE941FD1A49FCEFB9B7BE7D6)
Global Capital Validation	Silicon Valley Pre-Seed Pipeline	Z Fellows (\$10k Grant / Pace Capital Partner Interview)

3. MALTA HQ OPERATIONS: THE "PALAZZO" CAMPUS CONCEPT

Unlike conventional generic co-working desks, Trustia AI will establish its sovereign European headquarters within an iconic Maltese architectural estate (traditional stone Palazzo / House of Character) in **Naxxar, Lija, or Valletta**:

1. **Ground Floor & Central Courtyard (Cortile):**

- * Autonomous Systems Hardware Integration Lab (NVIDIA Jetson AGX Orin calibration, Ouster 128-LiDAR optical alignment, CAN-FD drive-by-wire testing).
- * VIP Investor & Diplomatic Briefing Suite within the historic stone vaults.

2. **First Floor (Sala Nobile):**

- * Executive Command Center, live fleet teleoperation dispatch console, and core software architecture workstations.
- * Executive Founder Residence for Murat Furkan Bayram and leadership team under the Malta Startup Residence Programme (MSRP).

3. **Fiscal & UCA Optimization:**

- * Historic property lease and restoration incentives supported through Malta Enterprise operational expense budget and UCA national preservation grants.

4. BUDGET BREAKDOWN & USE OF FUNDS (€1,500,000 ALLOCATION)

Expenditure Stream	Allocated Budget (€)	Percentage	Operational Justification
Core Software & Robotics Engineering	€600,000	40.0%	Payroll for 4 specialized embedded systems and computer vision engineers (Malta-based).
Malta Palazzo HQ Lease & Integration Lab	€350,000	23.3%	24-month lease, hardware lab fit-out, high-speed fiber uplink, and secure C2 server cluster.
Pilot Retrofit Fleet (Hyundai Ioniq 5)	€320,000	21.3%	Procurement and Level-4 sensor retrofit of 2 E-GMP vehicles for Mediterranean coastal testing.
Regulatory Audits & ASIL-D Validation	€130,000	8.7%	ISO 26262 functional safety compliance audits and EU CE vehicle retrofit certification.
Legal, IP & Working Capital Reserve	€100,000	6.7%	European patent protection, Malta entity incorporation, and operational contingency.
TOTAL REQUESTED ADVANCE	€1,500,000	100.0%	24-Month Sovereign Expansion to Malta and the EU Market

5. REVENUE MODEL & REPAYMENT CAPACITY

The €1,500,000 repayable advance provided by Malta Enterprise will be amortized through Trustia’s commercial revenue engines:

- 1. **Autonomy-as-a-Service (AaaS) Subscriptions:** Fleet retrofit kit licensing (€450/month per vehicle or €0.18/km for passenger EV fleets).
- 2. **Dual-Use Defense Licensing:** GPS-denied navigation stack licensing to NATO and European defense suppliers.
- 3. **Break-Even Horizon:** Month 18 following first fleet deployment in Malta / Mediterranean pilot corridors.

6. APPLICATION SUBMISSION CHECKLIST

- [x] **Corporate Legal Entity:** Trustia Teknoloji A.Ş. (ITO BTM Incubated).
- [x] **EU Registry:** Verified PIC Number 861711529 .
- [x] **Technical Proof:** 1,301 verified unit tests & determinism test logs.
- [x] **Investor Pitch Deck:** English Master Deck & Executive One-Pager attached.
- [x] **Malta Enterprise Client Portal:** Online profile initiated (client.maltaenterprise.com).
- [] **Formal PDF Compilation & Submission:** Finalized prior to 30 October 2026 cutoff.
